Little Warriors is always in need of volunteers. Please visit littlewarriors.ca to learn how you can become involved in the important work we do to help prevent child sexual abuse.
2011 is another year to reflect on the good work Little Warriors sets out to accomplish in the community for the vital need to protect our children and keep them safe from harm.

Little Warriors continues to fulfill its vision because of the generous support from the community. Thank you to all the amazing funders, supporters, community events and fundraisers that play an integral role in carrying out our important mandate for our children. It would not be possible if it were not for each of you. A special thank you is extended out to each contributor and the many individuals who have helped to support Little Warriors. You will find enclosed at the end of this report, a listing of these valuable supporters. I encourage you to support these wonderful community advocates for Little Warriors.

Child sexual abuse awareness and prevention is a national priority; not only for Little Warriors, but that of the collective community. From last year to this year, it truly is remarkable to see an exponential growth of over 206% achieved in the delivery of prevention education sessions to the communities we serve. In turn, this growth has empowered over 3,332 adults to take a proactive approach towards the prevention of sexual abuse; helping to lead to a positive impact for approximately 33,320 precious children.

We are so grateful and give thanks to all the fabulous volunteers who donate their time and hard efforts to provide prevention education and raise much needed funds. Thank you for your commitment to help protect our children.

I would like to extend out my sincere gratitude to my fellow board members who offer a multitude of expertise and for their commitment to generously volunteer their time for the benefit of our children. Thank you. It is an honor and pleasure to work with each and every one of you.

I also commend and appreciate the wonderful staff at Little Warriors who are on the front lines each and every day serving our community.

Warmest regards,

Glori Meldrum, B.Comm.

Community Members Giving Back
Thank you for helping to protect our children

Private Garden Party Fundraiser - Edmonton, AB
Proud Little Warriors supporters, Chris and Ken Sklar, hosted a spectacular Midsummer Night’s Dream private fundraising event. Guests were invited to indulge in decadent signature dishes and wine donated by local restaurants — all while supporting the efforts of Little Warriors. A donated Go Auto Smart Car was up for grabs with all the raffle proceeds going directly to Little Warriors. Gratitude is extended out to Chris and Ken Sklar and the many fabulous supporters contributing to the event. Thank you for helping to make an impact for children in our community.

Private Garden Party Fundraiser - Calgary, AB
Bentley and Bravery event host, Tony Dilawri and the distinctive collection of dealerships (including Bentley Calgary) pulled together the Calgary community at large for a Royal Affair red carpet private fundraiser event. By invite only, guests enjoyed a lavish evening of entertainment, food, wine, and participated in an exclusive auction to support the efforts of Little Warriors. Sincere appreciation is extended to Tony Dilawri and the many fabulous supporters contributing to the event. Thank you for helping to keep our kids safe from harm.

The Second Annual Newcastle Pub Poker Run Fundraiser - Edmonton, AB
A small group of volunteers and a neighbourhood pub pooled together to raise money for Little Warriors. The Poker Run is a 300 km motorcycle ride with five stops along the way, in which each participant can draw a card. At the end of the journey, the best hand wins a grand prize. The event sparked interest from non-motorcyclists, who wanted to help Little Warriors by driving their vehicles in the Poker Run. A big thank you is extended out to the event organizer, Joey Carothers and all the fabulous volunteers for their ongoing support of such a worthy event dedicated to our children.

FirstRowdy Invitation Only Fundraiser – Calgary, AB
FirstRowdy is one stampede bash that lives up to its name. This event is hosted annually by super folks at FirstEnergy Capital Corp. and is always the perfect party to sip, schmooze, see and be seen. But the fete comes at a price — a donation to FirstEnergy’s charitable efforts. Little Warriors was one of four organizations to receive a generous donation from the events proceeds. A big thank you to FirstEnergy Capital Corp. for believing in the future of our children.

A special thank you is extended out to all the local event sponsors, donors, and supporters who help contribute to the success of Little Warriors. Thank you for believing in children — our most precious resource.

Community events and fundraisers play an integral role in helping Little Warriors carry out its mandate. If you are interested in hosting a third party event to help support the efforts of Little Warriors, please call our office at 780-447-1343.
The slogan of the 2011 Little Warriors awareness campaign is “Make it Stop”. Its goal is to incite our community to take action to help prevent child sexual abuse and most importantly, to raise awareness of the lifelong impacts abuse has on survivors and our community as a whole. The haunting images convey just how negatively the future of a child, affected by the horror of child sexual abuse, can be.

"Very good information on child sexual abuse. Made me more aware and made me think about sexual abuse on a different level. Will promote ‘Little Warriors’ to families I work with!"

Youth Serving Organization

"70% of child sexual abuse survivors report a history of excessive drug and alcohol abuse.*"

In behind the scenes, Be Brave Survivor Story: Three different men sexually and physically abused me. It started when I was five and continued into my teens. Things came to a head one night not too long ago. I fell apart. I must’ve walked five miles in a circle around a kitchen island, drunk and stoned, hugging myself, crying, shouting, screaming, completely out of control. I did thirty days in a trauma recovery program in the States. There was no place in Canada I could go. I wouldn’t call what happened to me a transformation, but it was, almost. Since then, it’s been one day at a time: learning to be myself again, and being okay with that. If only there was an organization, like Little Warriors, that existed when I was a child.

Did You Know?
1 in 3 girls and 1 in 6 boys will experience an unwanted sexual act before their 18th birthday.* 95% of victims know their perpetrator.*
In behind the scenes, Be Brave Survivor Story: I was 4 years old when the sexual abuse started for me. The abuse continued till I was 12 years old. I was shuffled aside, alone, abused and frightened for most of my life. When I reported the abuse, it went unpunished. Eventually, I wound up in a vicious cycle of addiction and prostitution by the time I was 14. What happened to me shouldn’t have to happen to another innocent little girl or boy. I am here today to change my direction in this world, to make a difference and to help prevent child sexual abuse.

Little Warriors shares these powerful and heart wrenching survivor stories behind the Make It Stop campaign.

This is why an organization like Little Warriors is important. Take the child sexual abuse prevention program, support Little Warriors and help Make It Stop.

Prevention of Child Sexual Abuse

Collectively, Little Warriors has helped to impact over 110,000 children. In 2011 alone, over 33,000 children were impacted.

In 2011, Little Warriors has educated 3,332 Canadians on how to help prevent, recognize and react responsibly to child sexual abuse. Since the inception of Little Warriors, over 11,000 adults have been motivated to take action on the prevention of child sexual abuse. Every individual has the power to help impact 10 children.

"I felt very empowered by taking the Little Warriors Prevention Program.
